WARREN COUNTY ATTORNEY  
AMY HALE MILLIKEN

Each county holds a Proclamation Signing to kick off Child Abuse Prevention Month. Anyone is welcome to attend!

"Chews" to be the end is a play on words, where local bakeries, and food vendors create a special BLUE food/ treat in honor of CAP month.

"Pinwheels are one of the universal symbols of child abuse prevention. We invite all supporters and survivors to plant a pinwheel at the CAC on March 31st at 11:30 am.

"The CPCA conference is an annual event held during CAP month. Gather together with other professionals who are bonded by the drive to educate on child abuse prevention. This event is limited to 100 attendees. You can visit the Family Enrichment Center's website to register.

## A Symbol of Prevention

In 2008, Prevent Child Abuse America introduced the pinwheel as the new national symbol for child abuse prevention. Why? Because by its very nature, the pinwheel connotes playfulness, joy, and childhood. It has come to serve as a physical reminder of the great childhoods we want for all children. And as a symbol, the cyclical nature of the pinwheel calls to mind the positive cycles of love and support we want to help families create.

It also represents Prevent Child Abuse America's efforts to change the way our nation thinks about prevention by focusing on community activities and public policies that prioritize prevention to make sure child abuse and neglect never occur. Over a million pinwheels have been displayed since April 2008, and we hope you'll join us by bringing Pinwheels for Prevention to your community, too.
